

ACTIVITY 4

Emotion of Dance

**INTENT:**

Participants explore a research highlight and apply the information from the highlight to their daily practice.

OUTCOME:

Participants increase their understanding of the connection between emotion and dance.

MATERIALS REQUIRED:

- Preschool Curriculum Framework (PCF), Volume 2
- Handout 5: Research Highlight

TIME: 10 minutes

PROCESS:

Provide participants with the following directions:

- Read the research highlight on page 102 of the PCF.
- Complete the handout with your elbow partner.
- Share your “dancing” thoughts with the group (either with table group or the larger group as a whole).
