

Professional Development Toolbox

Before you start

❖ Give teachers the Program Guidelines handout and ask them to conduct a self-evaluation over the next week or so. Ask teachers to identify areas of strength and one or two areas they would like to work on next. On your return visit, have a conversation about their strengths and self-identified next steps.

❖ *Relationships with Families*

❖ *Home Language*

❖ *Environment and Materials*

❖ *Listening and Speaking*

❖ *Literacy and Vocabulary*

❖ *Using Assessment to Guide Vocabulary*
