International Society for Music Education--Early Childhood Music Education Commission--To share and to promote current ideas in early childhood music education which relate to research and to teaching, to assure every child's right to become musically responsive and thereby to enhance the quality of children's lives.

<u>National Art Education Association</u>--This dynamic community of practice is where visual arts teachers, scholars, researchers and professors, students, administrators, and art museum educators, and artists come together around a shared belief in the power of the arts in developing human potential.

<u>National Association for Music Education--</u> National Association for Music Education (NAfME), among the world's largest arts education organizations, is the only association that addresses all aspects of music education. NAfME advocates at the local, state, and national levels; provides resources for teachers, parents, and administrators; hosts professional development events; and offers a variety of opportunities for students and teachers.

<u>National Dance Education Association</u>--The National Dance Education Organization (NDEO) is a non-profit organization dedicated to the advancement and promotion of high quality education in the art of dance.
