UNIVERSITY &
INTERNATIONAL
PROGRAMS**
C H A N N E L
I S L A N D S

Program Model:

- Two sequential, one-unit undergraduate courses (consecutive completion required)
- Five sessions per course, 10 sessions total
- Each course is online (or blended) and meets on a set day and time each week by web camera. All courses and content managed in *myCI* and Canvas
- Students are current early educators. Participation is zero cost to participants. Tuition and Textbook is covered by CA Department of Education Grant
- Two undergraduate CSU Channel Islands units and \$600 stipend upon successful completion
- Director/Site Supervisor consent is required. Child care program must meet requirements, commit to pre- and post- program assessment, and complete Director Orientation.

Requirements:

- Participating ECE programs are licensed to serve infants, toddlers and/or young children by providing family child care and/or preschool.
- ECE program serves dual language learners
- Students are actively teaching in a classroom or has access to the classroom (e.g. Coach)

Preferred Program Characteristics:

- CDE/ECLD contracted programs
- Participates in local Quality Counts Consortium
- Serving children receiving subsidies

About the Project:

In coordination with ECE program directors, early educators enroll in EDUC 490, Course #1, online, blended, English or Spanish. Upon successful completion of Course #1, early educators are enrolled in Course #2. EDUC 490 courses connect early educators from across the State of California to complete activities, implement strategies in their classrooms, and share experiences as a Community of Practice. The ECE program commits to allow and support teachers to implement new practices and document their experiences (photo/video).
