## Measurement Journal

### **Measurement Walk**

Measure four items inside or outside. Use a different measuring technique for each item. Record results on the next four pages (one item per page).

### Inchworm

Using your inchworm ruler, measure three items at your table and record the results below.

#1 What did you measure?

What were the results?

#2 What did you measure?

What were the results?

#3 What did you measure?

What were the results?

What did you measure?

How did you measure?

What did you measure?
