

# The Good Cit

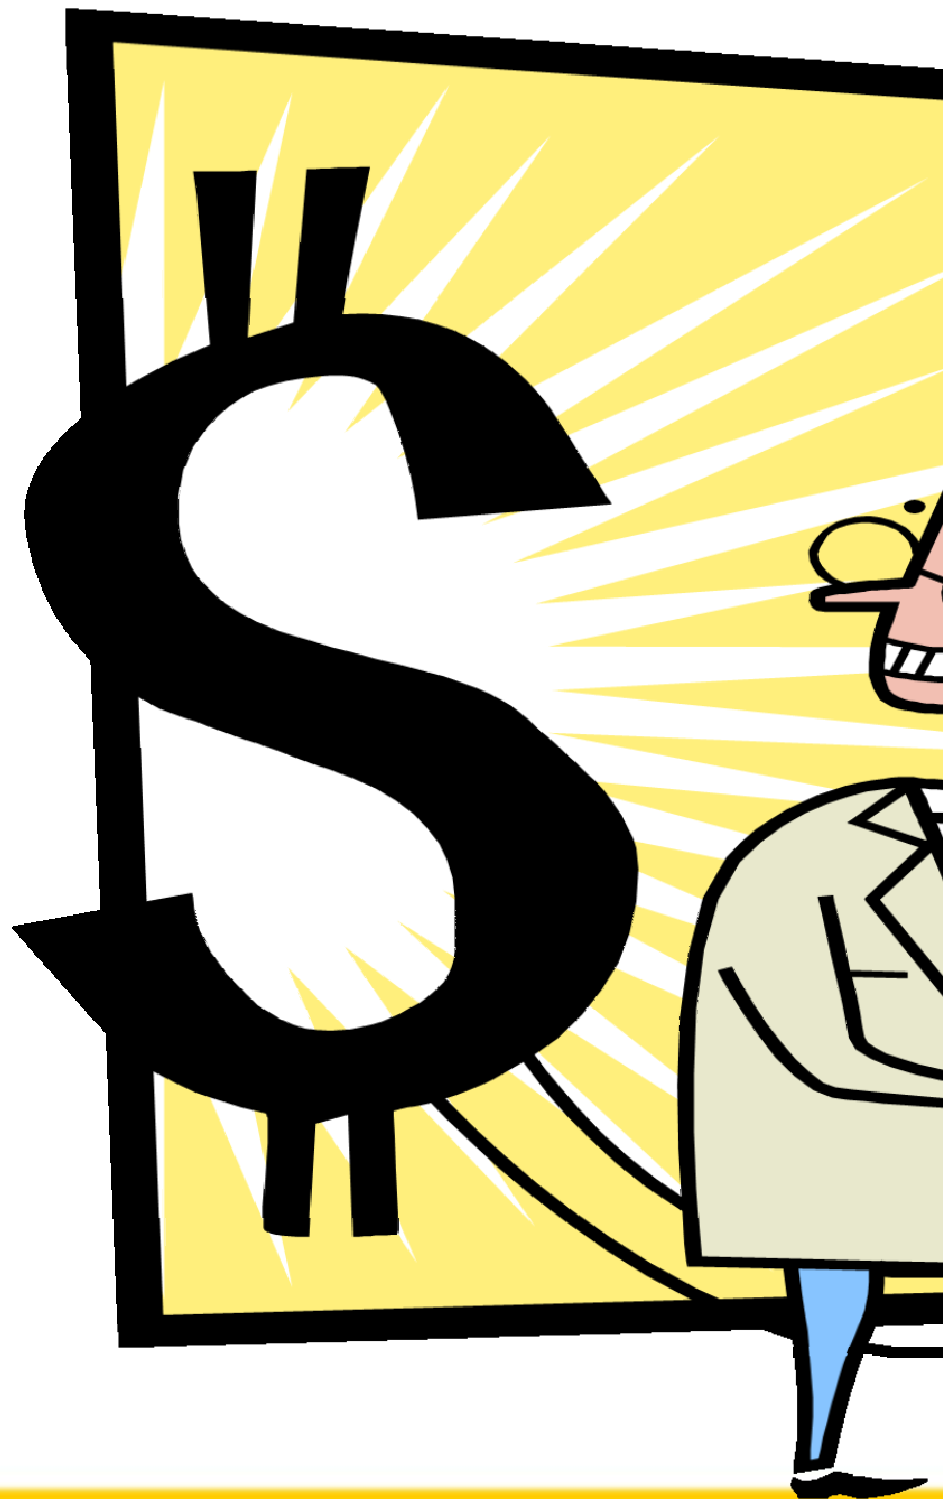

- I have calculated the the children may feed 2.5 crickets per day t
- My favorite part of sc predictability of life so ble and always prepara need in class.

# izen Scientist

cost of crickets and  
d the praying mantis  
o stay on budget.

ience is the order and  
cience. I am dependa-  
ared for what we might

- I value accountability  
respect for right and v

, responsibility, and a  
wrong.
