

The Softy-Head

- I just can't put a cricket in a mantis cage. I feel too bad for those little crickets.
- My favorite part of so many things are born, it brings a sense of time. I am a warm, cozy person.

Heart Scientist

ket in the praying

oo much empathy for

science is when babies

tear to my eye every

communicative, and

passionate nurturer.

- I value authenticity, I

honesty, and family.
