

YOU'RE INVITED

# CPIN Language and Literacy Professional Learning Institute

**Learn about language and literacy research from international researcher, Dr. David Dickinson, and become certified to train on the newest language and literacy module—Interest in Literacy.**

Research speaker, Dr. David Dickinson, will share research that aligns directly to the preschool learning foundations and strategies in the curriculum framework. Participants will have the opportunity to ask Dr. Dickinson questions and discuss new information with their colleagues.

Participants will receive training on the newest language and literacy module, Interest in Literacy, designed to support teachers' understanding of quality environments and curriculum that support the developmental progression of interest in literacy.
