

# 2019-2020 CPIN Professional Learning Institutes

Join us for four collaborative, two-day institutes focusing on the domains of Math, Language and Literacy, Science, and History-Social Science—including special topics such as *Inclusion Works!*.

## Research speakers include

- © [Dr. Douglas Clements](#), © [Dr. David Dickinson](#),
- © [Dr. Osnat Zur](#), and © [Dr. Ross Thompson](#)

Participants will receive training on the newest CPIN modules for teachers and administrators including special topics such as *Inclusion Works!* and *The Powerful Role of Play in Education*.

## TOGETHER, WE WILL...

- Learn, discuss, and reflect on new, national research to enrich existing CPIN training sessions
- Explore new training modules available for certified leads to present
- Discover and apply adult learning competencies to existing CPIN modules
- Explore relationship-based strategies for extended learning beyond the training through technical assistance

**LOCATION AND TIME:** For full details visit the event page at <http://www.cvent.com/d/lyqsjn>.
